With permission of the Chair, Dr. I.K. Mansoori, Regional Director, NRC & Convener presented the Agenda before the Committee and following observations was made:-

S. No.	File No.	Name and address of the Institution	Course	Decision of NRC
1.	UP-2020	Mulana Azad Institute of Humanities Science and Technology, Station Road, Mahmudabad, Distt. Sitapur, State-Uttar Pradesh.	M.Ed.	<p>The original file of the Institution alongwith other related documents, NCTE Act, 1993, Regulations and Guidelines of NCTE published from time to time were carefully considered by NRC and following observation was made:-</p> <p>In compliance of the orders of the High Court of Lucknow dated 08.09.2016, the matter of the institution was considered very carefully in the light of the observations made by the Hon'ble High Court of Lucknow dated 08.03.2016 read with order dated 14.03.2016. This careful consideration led the NRC to make the following observations:-</p> <ul style="list-style-type: none"> • The applicant institution has never been granted unconditional recognition to start M.Ed. course. • All reasonable opportunities were provided by the NRC to the institution to submit the list of the faculty duly approved by the affiliating university. The applicant institution did not submit this approved list despite getting several opportunities. • In compliance of the orders of the Hon'ble Supreme Court of India dated 10.09.2013, NRC was duty bound to process this application as per the provisions of the NCTE Regulations, 2014. • As per clause 4.1 of Appendix-5 (Page no.-120) of the NCTE Regulations, 2014 the basic unit size for the M.Ed. programme shall be 50. As per clause 6.1 of Appendix-5 (Page No. 122) of the NCTE Regulations, 2014 for an intake of 50 students the faculty as follows:- <ul style="list-style-type: none"> a. Professor – Two b. Associate Professor – Two

				<p>c. Assistant Professor – Six</p> <ul style="list-style-type: none">• NCTE Regulations, 2014 do not permit the NRC to reduce the number of students in a basic unit of M.Ed. course i.e. from 50 to 35. Moreover, there are no provisions in the NCTE Regulations, 2014 which empower the NRC to allow an institution to admit 35 students and reduce the number of faculty members accordingly from 10 to 07. This is beyond the power of the NRC as per the provisions of the NCTE Regulations, 2014. The institution is free to admit students less than 50 but the Regulations do not permit the NRC to allow proportionate reduction in the faculty. The number of faculty members will have to be the same i.e. 10 (Two Professors, Two Associate Professors and Six Assistant Professors). The applicant institution has till date not submitted the list of the faculty members, in the requisite number, duly approved by the competent authority of the affiliating university.• On the basis of the above observations, NRC had decided not to grant recognition to the applicant institution for M.Ed. course.
