

Dated 05.12.2015

**PUBLIC NOTICE**

The NCTE is in the process of developing Geographic Information System (GIS) in respect of teacher education institutions recognized by it. All the recognized teacher education institutions have been advised to fill in GIS information. However inspite of repeated requests a large number of institutions are still defaulter. Non action on the part of recognized teacher education institutions have been viewed very seriously by the NCTE Hqrs.

Therefore, all the recognized teacher education institutions under the Jurisdiction of Northern Regional Committee located in the state of Uttar Pradesh, Uttrakhand, Delhi, Haryana, Punjab, Chandigarh, Himachal Pradesh, Rajasthan are directed to fill up the data on the link "GIS Data" available on Home page of the NCTE website [www.ncte-india.org](http://www.ncte-india.org).

The institutions which have not filled up the data are directed to fill the data by 31.12.2015 positively failing which the NCTE shall be compelled to initiate action against such institutions such as :-

- (1) Non grant of permission for additional programme intake.
- (2) Initiation for withdrawal of recognitions

  
Regional Director
