Madam/Sir,

As you are aware, the main objective of the NCTE is to achieve planned and coordinated development of the teacher education system throughout the country, the regulation and proper maintenance of Norms and Standards in the teacher education system and for matters connected therewith.

The Northern Regional Committee (NRC) has been entrusted with the work of recognition (or otherwise) of Teacher Education Institutions/programmes in eight States/UTs namely Haryana, Uttar Pradesh, Himachal Pradesh, Uttarakhand, Punjab, Rajasthan, Chandigarh and Delhi.

Complaints/representations are being received in the office of NRC, NCTE regarding non-maintenance of norms/standards by the Teacher Education Institutions (TEIs) and it is also observed that in many cases the letters issued to the TEIs and their society are returning undelivered due to the incomplete/incorrect (or change in) address. Accordingly, these issues are seriously viewed by the NRC. NRC in its 310th meeting decided that all TEIs may be directed to maintain the details/records as per NCTE (Recognition norms and procedure) Regulations, 2014.
