**Sub: GIS online database to be filled by the recognized teacher education institution.**

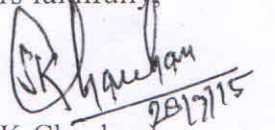

Respected Sir/Madam.

The National Council for Teacher Education is developing Geographical Information System (GIS) data base of all teacher education institutions recognized by it. In this regard an icon on the GIS system has been created on the NCTE's website which requires feeding of necessary inputs from each of the institution.

Therefore, you are required to immediately access the NCTE's website, click on the link – GIS Data, fill up the form giving all the details uploading a PDF copy of the latest recognition order digital photograph and scanned signature on it. This is a time bound task which has to be completed by every recognized institution within a period of one month from the date of issue of this letter. Failure of compliance of this direction would be viewed seriously and may force NCTE to treat it as violation of NCTE Act and its provisions which may lead further necessary action against the defaulter institutions.

You are hereby requested to direct your DIET's and Govt. Teacher Education Institutions to fill up the GIS database immediately by 10.10.2015.

Yours faithfully,

  
(Dr. S.K. Chauhan)  
Regional Director
